CHILD PROTECTION POLICY:

Parents and carers should be aware that everyone involved in the school, including the Saltburn Sunrise and Sunset Club, has a duty to take reasonable action to ensure the welfare and safety of its pupils. In cases where Club staff have cause to be concerned that a member may be subject to ill treatment, neglect or other form of abuse, staff will follow the [Local Safeguarding Board](#) Child Protection Procedures and inform the Social Services of their concern. The procedures we are bound to follow require the school's Nominated Person to inform the Social Services and not the parents or carers. This is to protect the child. Referrals from the school may result in a visit to the home by a Social Worker.

COMPLAINTS PROCEDURE:

If parents wish to raise any concerns they may have about Saltburn Sunrise and Sunset Club and its staff, they need to approach the Head of School to discuss such matters. If parents wish to make a formal complaint, however, details of the procedures can be obtained from the Head of School and are published on our website.

ACCIDENT PROCEDURES:

All major and minor accidents will be dealt with by a qualified first aider and recorded in the First Aid book. In the event of a major accident the emergency services would be contacted. Parents would be notified immediately. In the event of a minor accident, parents would be informed on collection of their child.

SPECIAL NEEDS POLICY:

The club staff will work alongside parents to ensure that their child's special needs are met. All children are welcome to attend and staff will organise the environment and plan activities to ensure all children take part at an appropriate level to their needs. The leader will inform parents of any difficulties that may arise.

LOST CHILD POLICY:

Every care is taken to ensure that all children are accounted for at all times. However, in the unlikely event that it is suspected a child has gone missing an immediate role call will be taken. If it is discovered that a child is unaccounted for then a thorough search of the premises and its surroundings will be carried out. On no account are the other children to be left unsupervised at any time. If after a thorough search, of no longer than 10 minutes, it proves unsuccessful in establishing the whereabouts of the child the Emergency Services and the parents would be informed.

UNCOLLECTED CHILD

In the event of a child's parent/carer failing to collect them, their safety is of utmost importance. On no account is the child to be handed over to an unauthorised person. Two members of staff are to remain with the child whilst an attempt to contact the parent is made. If, after 15 minutes, no contact has been made, the Head of School will be informed. In the event that contact could not be made within this time, and in any event by 18:00 hours, Social Services are to be contacted and advised of the situation. Staff will then follow Social Services advice.
