Home – School Agreement

The home-school agreement is based on the aims and values of our Campus. It spells out the responsibilities of the Campus and your responsibilities, and what the schools expect of our learners.

Children achieve more when schools and parents work together. Your support and encouragement are very important to us and to your child in enabling them to make the most of school.

Thank you for reading and signing this agreement and for supporting us in endeavouring to achieve the best for your child.
