

AGREED ADMISSIONS – Saltburn Primary School

Redcar & Cleveland Local Authority is responsible for considering requests for admission to the school. Admissions Officers can be contacted on Tel: 01642 444110

Please see separate guidance for Nursery Admissions.

Children are admitted into full time school into the Upper Foundation Stage (Reception) in the autumn term before their fifth birthday (see Admissions Policy revised annually following recommendations by DfE).

Parents considering sending a child to this school are welcome to visit before admission.

We also feel it is important for children to have the opportunity to visit the school and their class therefore this is arranged before admission.
