

Safeguarding News at Saltburn Primary School: Nov 16

Welcome back to a new and busy autumn half term. We were pleased to welcome Saltburn Fire Brigade to school this month to lead an assembly about Bonfire night safety for our children. As usual, our children listened carefully and had lots of pertinent questions to ask!

The children will be working on **e-safety** in school this half term. We were excited to have great e-safety performances in school recently to help our children understand how to keep safe when using technology. School uses 'Impero' a monitoring system to ensure safety whilst using school systems. Always ensure you know what your child is doing online and who they are in contact with. Please remember that many social networking sites have age limits.

On 7.11.16 the whole staff had their annual Safeguarding update training from Marianne Dixon the Local Authority Child Protection Officer. Our staff have received PREVENT & WRAP training in line with national expectations. We are part of Operation Encompass – see our website for details!

Anti - bullying week -

From 14.11.16 – 18.11.16 it's national Anti-bullying week. The children will look at bullying as part of PSHE and especially at different types of bullying. We look forward to seeing some of their work on display throughout school. All of our classes have 'worry / thought' boxes or bears in them for children to share any worries or concerns that they may have. Our 2016 2017 Behaviour policy is available on the campus website.

Pastoral Care & Support for families at Saltburn Primary School – We are able to support our families and children by referrals to the following agencies – Early Help Team (family, parenting, welfare and behaviour support), Redcar Food Bank, Social Care (Children's Services), School Nursing service, CAMHS, LINK, School Continence Nurse, Health Visitors and Time 4 You counselling. Please ring 01287 621010 and speak to Ms Ash – Assistant Headteacher (Inclusion).
