Dear Parent/Carer,

You will know that we take the issues of child protection and safeguarding very seriously here at the campus. I am writing to inform you of an additional new feature on the Safeguarding page of our website www.saltburnlearningcampus.co.uk, the Click CEOP button.

This button is an asset of the National Crime Agency's CEOP (Child Exploitation and Online Protection Centre) Command, which works to protect children from the harm of sexual abuse and exploitation. It has been developed to offer children, young people, parents/carers and professionals working with these groups with an online mechanism for reporting known or suspected child sexual exploitation or child sexual abuse directly to CEOP. The button is offered as a convenient and potentially less intimidating way of reporting these sensitive types of crime and as an alternative to face to face and telephone reporting to the police.

You can access the Click CEOP button and find more links related to child protection and safeguarding, via our website Safeguarding page and clicking onto the Useful links, Updates and News page.

If you would like to discuss this feature or have any questions regarding it please contact the campus and ask for Ms Ash or myself, who will be more than happy to respond.

Many thanks,

Mr Ainscough
Assistant Headteacher (Inclusion)
