

SALTBURN
Learning Campus

All learners, always learning

Campus Mission

We passionately believe we are all learners, always learning and our Campus mission is to enable all our 3-16 year old learners to be prepared for a successful and fulfilled life as responsible and actively contributing members of society

Campus Values

Our “LEARNER” values embody the characteristics we model, foster and develop.

- Listen – We explore new information and respect others
- Engage – We commit to being fully in the moment and developing self-discipline
- Accept – We accept our responsibilities to ourselves, others and the community
 - Reflect – We look back, so we can move forward
- Nurture – We support others, regardless of difference, showing kindness and care, allowing us all to shine
 - Enable – We inspire others to realise their potential and empower future leaders
- Repeat – We demonstrate resilience and a growth mind-set, persevering when challenged

Campus Aims 2018-2021

To reach our mission we have set ourselves the following aims;

- Develop the highest standards of creative, evidence based teaching in all educational phases
- Continually improve learner outcomes for achievement and progress
- Ensure that the curriculum provides the necessary stepping stones for every learner to reach their next educational stage and maximise potential for further training and ultimately employment
- Amplify our involvement with the community to support each other and be proud of our local area
- Focus on the wellbeing of every individual connected with the campus to support healthy minds as well as bodies
- Create a financially and environmentally sustainable organisation with the facility available for all in the community
